

Campaign for a Healthier America

AMGA Foundation Vision 2025: 100 Million Healthier Americans by 2025

Four Pathways to This Bold Goal

- ✓ Enhance Best Practices Collaboratives
- ✓ Innovate approaches to engage more medical groups and health systems
- ✓ Recognize high levels of performance
- ✓ Scale our proven campaigns to reach 100 million Americans

- ✓ Incorporate a broad community focus into programs
- ✓ Pilot community programs
- ✓ Tackle the social determinants, disparities, and environmental factors behind chronic conditions

- ✓ Assist AMGA group members to work directly with patients and families to prevent chronic disease
- ✓ Create an AMGA patient and family advisory council
- ✓ Train people to be proactive agents in their own care

- ✓ Collaborate with innovators in industry, academia, the insurance sector, and other areas with the latest priorities, technologies, and thinking
- ✓ Conduct an annual symposium on care model innovations
- ✓ Create a resource library of care model innovations

Our goal for a healthier America is within reach.
Join us in making it reality!
